EMPTY 1-GALLON BOTTLE WITH DISPENSER PUMP

Description:-

- This Empty 1-Gallon Bottle with Dispenser Pump makes it easy to retain sanitizer, soap, syrup, disinfecting liquids, and other similar products. The empty plastic bottle can hold our offered liquid alcohol sanitizer and gel sanitizers, as well as many other sanitizer and soap liquids. The plastic bottle is 1 gallon in size and can be refilled with all sanitizing liquid products such as soap, sanitizer, and more. The empty 1 gallon container can be reused.
- The Dispenser Pumpmakes it easy to dispense sanitizer, soap, syrup, disinfecting liquids, and other similar contents. This plastic pump dispenses our offered liquid alcohol sanitizer and gel sanitizers, as well as many other sanitizer and soap liquids.This will release a consistent amount of liquid contents, making it easier to control portioning and ultimately save costs.
