## **NO-TOUCH SURFACE MOUNT HAND DRYER**

### **-1400-1900W**

- Allow employees and customers to dry their hands quickly and efficiently with this surface mount hand dryer! Featuring an infrared sensor for sanitary, no-touch operation, this hand dryer has an energy efficient 20 second drying cycle with two balanced, double-inlet centrifugal fans blowing warm air at 71 cfm.
- This hand dryer has a coiled nickel-chrome heating element with a thermal overload switch for added safety as well as an 18 gauge, type 304 stainless steel cover with a satin finish. This unit mounts to the wall with a 20 gauge plated steel mounting base with four 6 mm diameter mounting holes.
- Left to Right: 13 3/4"
- Front to Back: 4"
- Height: 13 9/16"
- Infrared sensor for no-touch operation
- Coiled nickel-chrome heating element with thermal overload switch
