

13 Oz. Ceramic Mug With Silicone Sleeve

Product

CM98409-13OZCMWSS

Description

The 13 Oz. Ceramic Mug with Silicone Sleeve is a stylish and functional mug designed to hold approximately 13 fluid ounces (around 384 milliliters) of your favorite hot or cold beverages. It combines the durability and heat retention properties of ceramic with the added benefits of a silicone sleeve for a comfortable and secure grip.
