Custom Full Color Short Lanyards

High Quality Lanyards Designed for Vibrant Edge-to-Edge Printing:

Make a lasting impression with our high-quality lanyards, expertly crafted to showcase your brand in the most eye-catching way possible. Designed for full-color, edge-to-edge printing, these lanyards offer a premium look and feel, ideal for events, corporate settings, promotional giveaways, and everyday use.

Our lanyards are made using durable, smooth polyester that provides the perfect canvas for vivid, high-resolution graphics:
The edge-to-edge printing technology ensures that your design spans the entire surface of the lanyard without borders or gaps, giving your logo, messaging, or artwork the space to shine. Whether you need a bold design or a detailed pattern, the clarity and color fidelity are unmatched.

Comfort and functionality are key features of our lanyards:
The soft material sits comfortably around the neck, making them perfect for all-day wear at conferences, trade shows, or in office environments. They are also available with a variety of attachment options—such as swivel hooks, badge clips, and safety breakaways—allowing for easy customization to suit your needs.

In addition to visual impact and comfort, these lanyards are designed to last:
The strong weave resists fraying and fading, so your full-color design stays vibrant even after

extended use. They hold up well under daily wear and tear, making them a reliable solution for team

IDs, access badges, or branded merchandise.
