Pomona 15W Qi Wireless Charger

High-Speed Wireless Power Delivery

The Pomona 15W Qi Wireless Charger is engineered to provide rapid and reliable energy for all Qi-enabled devices. With a powerful 15W output, it ensures that your smartphone and compatible electronics reach full power quickly and efficiently. This high-performance charging solution is designed to minimize downtime and keep your essential tech operational throughout the busiest schedules.

Minimalist and Ultra-Slim Aesthetics

Crafted with both style and portability in mind, this charger features a sleek, low-profile design that complements any modern desk, nightstand, or professional workspace. Its compact footprint makes it an excellent choice for travel, allowing you to maintain a high-performance charging setup without occupying significant space in your luggage or on your furniture.

Effortless and Clutter-Free Operation

Experience the ultimate convenience of cable-free power by simply placing your device on the charging surface. The Pomona charger’s intuitive interface provides instant connectivity, eliminating the need for fumbling with cords or adapters. This streamlined approach offers a clean, organized solution for maintaining your battery levels at home or in a professional office environment.

Versatile Performance for Global Lifestyles

The Pomona 15W Qi Wireless Charger is a versatile accessory built to adapt to any setting, from the executive office to a hotel room. By combining fast-charging capabilities with a rugged yet portable build, it serves as the perfect companion for individuals with a mobile lifestyle who require a dependable and stylish way to stay powered up on the go.

Advanced Safety and Technical Construction

This Qi Certified charger is housed in a premium aluminum casing that facilitates superior heat dissipation and long-term durability. The top surface is constructed from flame-resistant plastic for enhanced safety, while the base features four anti-slip silicone pads to keep your device secure. Integrated safety features include Foreign Object Detection, which utilizes a flickering LED indicator to warn the user if metal items are interfering with the charging field. The device supports multiple output levels (15W, 10W, 7.5W, and 5W) and accepts Type-C input for modern compatibility.

What’s Included

Pomona 15W Qi Wireless Charger

39-inch Type-C to USB Charging Cable

User Documentation

Product	AAT-WSC118-019
Color	Black, White
Product Dimension	3.94in x 3.94in x 0.25in
Product Weight	2 oz
Imprint Method	Blank, UV Printing Full Color
Imprint Area	3.57in x 3.57in
Imprint Location	Front
Digital Proof	$20(P) (Required)
Minimum Qty	25

Unit Price on (P)
