Apple MagSafe Charger

Efficient and Seamless Wireless Power

The Apple MagSafe Charger provides a highly reliable and efficient wireless power solution for all MagSafe-compatible devices. Designed to eliminate the frustration of tangled cables, it offers a seamless charging experience by automatically snapping into the optimal position. Simply attach your device to ensure a consistent, high-speed charge that keeps your essential tech powered throughout the day.

Sophisticated Design and Aesthetics

Transform your charging routine with a sleek, minimalist aesthetic. This charger merges top-tier Apple functionality with a clean look that complements any workspace. It is an exceptional choice for high-end gifting, professional environments, or personal use, keeping a premium tech staple at the center of your daily setup.

Streamlined and Robust Construction

Built with premium materials, this charger is engineered for both aesthetic appeal and long-term durability. Its ultra-slim and lightweight profile ensures maximum portability, making it easy to slip into a laptop bag or pocket. Whether used at a home office, a corporate desk, or while traveling, the charger maintains a polished, professional appearance.

The Versatile Solution for Premium Gifting

The Apple MagSafe Charger is a sophisticated and practical gift choice for valued clients, high-performing employees, or loved ones. By combining the convenience of magnetic wireless technology with a world-class reputation, this accessory provides high daily utility, ensuring it remains a staple on any desk or nightstand.

Technical Compatibility and Alignment

The precision magnetic alignment experience is specifically optimized for iPhone 12 through iPhone 15 models (and subsequent MagSafe-supported versions). While it functions as a standard Qi charger for other compatible devices, the magnetic snap feature ensures the most efficient power transfer for supported iPhones.

Note: To achieve the best charging performance, it is recommended for use with a 20W USB-C

Power Adapter (sold separately).
