La Grange 20W Wall Charger

High-Speed Dual-Port Power Delivery

The La Grange 20W Wall Charger is a high-efficiency power solution engineered to provide rapid energy for a wide array of mobile devices. Delivering a maximum output of 20W, this charger ensures your smartphones, tablets, and peripherals are powered up with impressive speed. By utilizing advanced Power Delivery technology, it significantly reduces the time your devices spend tethered to a wall, keeping you fully connected and productive throughout your busiest days.

Compact, Foldable, and Travel-Ready

Designed with a focus on modern mobility, this charger features an ultra-compact form factor and a highly practical foldable plug. Its lightweight construction and small footprint allow it to fit effortlessly into a bag, briefcase, or even a pocket without adding bulk. Whether you are navigating a daily commute or embarking on international travel, the La Grange charger is the ideal space-saving companion for home, office, or life on the road.

Advanced Safety and Multi-Protec Technology

Safety is a core priority in the design of the La Grange 20W Wall Charger. It is equipped with a comprehensive Multi-Protec safety suite that offers proactive defense against overcharging, overheating, and short-circuiting. This intelligent protective system ensures a stable current and prevents damage to your valuable electronics, providing long-lasting durability and total peace of mind during every charging session.

Intelligent PowerIQ and Universal Compatibility

This versatile charger features PowerIQ technology, which intelligently identifies your specific device to deliver its fastest possible charge—potentially saving you up to an hour of charging time. It offers universal compatibility across a vast range of ecosystems, providing reliable power for the iPhone 11 through 15 series, Google Pixel, Samsung Galaxy models, iPads, and various other USB-C and USB-A powered devices.

Technical Specifications and Output Configuration

The La Grange charger features a dual-output design to accommodate both modern and legacy cables. The USB-C port provides a dedicated 20W output when used independently, while the USB-A port offers up to 18W of power. When both ports are utilized simultaneously, the charger manages a combined total output of 20W, ensuring a balanced and efficient energy flow to multiple devices at once.

What’s Included

La Grange 20W Foldable Wall Charger

User Documentation

Product	AAT-WCG100-025
Color	Black, White
Product Dimension	2.13in x 1.54in x 1.06in
Product Weight	2.19 oz
Imprint Method	Blank, UV Printing Full Color
Imprint Area	1.57in x 1.18in
Imprint Location	Front Side, Both Side
Digital Proof	$20(P) (Required)
Minimum Qty	25

Unit Price on (P)

Qty	**25**	**50**	**100**	**250**	**500**	**1000**
Price	$24.72	$21.74	$20.68	$19.56	$18.36	$17.74
