Addison Wireless Speaker

Powerful and High-Clarity Audio

The Addison Wireless Speaker is engineered to deliver a crisp, premium audio experience characterized by resonant bass and distinct mid-tones. Whether you are streaming your favorite playlist, catching up on podcasts, or utilizing the speaker for hands-free calls, it provides a high-quality soundstage that effectively fills any room or outdoor setting with immersive audio.

Compact and Travel-Optimized Design

Built for those who lead an active lifestyle, this speaker features a lightweight and compact form factor that makes portability effortless. It is the ideal companion for the park, the beach, or any travel destination, allowing you to enjoy high-definition sound without the restriction of wires or bulky equipment.

Seamless Wireless Connectivity

Equipped with advanced Bluetooth compatibility, the Addison Wireless Speaker pairs instantly with smartphones, tablets, and other enabled devices. The user-friendly interface ensures that connecting and controlling your media is entirely hassle-free, providing a stable and reliable stream for your music wherever you are.

Versatile Performance for Any Environment

Combining sleek aesthetics with rugged durability, this speaker is perfectly suited for home interiors, social gatherings, or outdoor adventures. It serves as a highly reliable audio solution for users who demand a balance of style and performance, making it a versatile accessory for any listening environment.

Technical Specifications and Performance

The Addison Wireless Speaker operates on a DC 5V 400mA input and features a built-in, rechargeable 300mAh Polymer battery. It offers an impressive working distance of 15 to 20 meters, allowing for significant mobility during use. With a signal-to-noise ratio exceeding 75db and a frequency range of 200Hz to 20kHz, it ensures clear output across various genres. The device reaches a full charge in approximately 1.5 hours and provides 1 hour of continuous playback at maximum volume, all protected by a precision-engineered 0.6mm grill.
