Custom Tube Wrist Lanyards

In a world where practicality and style go hand in hand, wrist lanyards have become an indispensable accessory for keeping essential items within easy reach. However, not all lanyards are created equal.

Durable Tube Fabric for Reliability:

Our wrist lanyards are expertly crafted from tube fabric, a material known for its strength and durability. Unlike flimsier alternatives, these lanyards are designed to withstand the demands of various events and daily use, providing a reliable and secure solution for keeping your essential items within reach.

Tailored Adult Sizing and Width:

These wrist lanyards come in an adult size with a length of 202mm, ensuring a comfortable and snug fit for most wrist sizes. The lanyards have a sleek 3/8" (10mm) width, making them both compact and functional, allowing you to keep your items close without adding bulk or discomfort.

Custom Closure Options:

For your convenience, we offer closure color choices, allowing you to tailor the lanyard to your preferences. By default, we use a black buckle or breakaway closure, but if you prefer a white one, you can easily make the switch. To opt for the white closure, please select the 10mm width option

and leave a message in the special remarks section regarding your color preference.

Quality and Personalization:

These wrist lanyards offer not only durability and customization but also the convenience of hands-free access to your essentials. Whether it's for keys, badges, or small accessories, these lanyards provide a stylish and secure solution. The option to choose your preferred closure color adds a personal touch to these practical accessories, ensuring they meet both your functional and aesthetic needs
