Custom Terry Headbands

Our Embroidered Terry Headbands are designed to meet these demands with precision. Crafted from a high-quality material blend of 93% cotton and 7% elastic, these headbands are your go-to solution for managing sweat and keeping it away from your face and eyes.

Quality Material Blend:
Our Terry Headbands are expertly crafted from a premium material blend of 93% cotton and 7% elastic, ensuring a combination of comfort and durability. This unique blend provides a soft and absorbent feel, allowing the headbands to effectively wick away sweat and keep it from interfering with your activities. Whether you're engaged in sports, fitness, or high-intensity workouts, these headbands offer a superior moisture management solution.

Imprinted with Precision:
Adding a personal touch or branding to your headbands is made easy with our embroidered imprint. The embroidered design offers a high level of precision and permanence, ensuring your logo or message remains vivid and intact, even after extensive use. It's a great way to showcase your brand or add a custom touch to your workout gear.

Generous Size for a Perfect Fit:

Our Terry Headbands are conveniently sized at 3 inches in width and 3 inches in height, making them suitable for a variety of users and activities. The generous imprint area, measuring 2.8 inches in width and 1.75 inches in height, provides ample space to prominently display your logo, message, or branding, ensuring maximum visibility and recognition.

Functional and Stylish:
Whether you're working out, playing sports, or leading an active lifestyle, these headbands serve as a functional and stylish accessory. The moisture-wicking properties of the terry cloth efficiently absorb sweat, preventing it from reaching your face and eyes. This crucial feature helps you maintain focus and comfort during your physical activities. The embroidered imprint adds an extra touch of sophistication to your workout attire, making these headbands both practical and fashionable.
