This Custom Captain Armband is built for leaders: made from high-quality elastic material with a Velcro fastener, it ensures both comfort and stability during all kinds of team sports: football, hockey, rugby, and more.
The Velcro strap allows for precise placement, while the elastic loop ensures the band stays secure but still easy to put on and take off. With full design customization, teams can personalize the armband with club logos, captain initials, or sponsor names, making it more than just a functional item, but a symbol of leadership.
Whether you're outfitting a school team, club, or professional squad, this armband combines practical performance with a personal touch.
