Custom Heat Transferred Ribbons (10 yards)

Add a personalized touch to your projects with our Custom Heat Transferred Ribbons, available in Double Face and Grosgrain materials. These ribbons are perfect for making any occasion special.

Premium Double Face Ribbon:

Our Double Face Ribbon offers a luxurious, smooth texture on both sides, making it ideal for projects where both sides of the ribbon are visible. The high-quality satin finish adds an elegant touch, perfect for gift wrapping, event decorations, and fashion accessories. With our custom heat transfer process, you can add any design or text to create a unique, personalized ribbon.

Durable Grosgrain Ribbon:

The Grosgrain Ribbon is known for its distinct ribbed texture and durability. This sturdy material is perfect for a variety of applications, from crafting to packaging. The custom heat transfer process ensures your designs remain sharp and vibrant, making the Grosgrain Ribbon a versatile choice for adding a personal touch to your projects.

Easy Customization:

Our Custom Heat Transferred Ribbons are designed for easy and precise customization. With 10 yards of ribbon, you have enough material to complete multiple projects. The heat transfer process ensures your custom designs adhere seamlessly to the ribbon, resulting in a professional and polished finish every time.

Perfect for Special Occasions:

Whether it's a wedding, birthday, corporate event, or holiday celebration, our Custom Heat

Transferred Ribbons add a touch of elegance and personalization. Use them for creating custom decorations, enhancing gift packaging, or adding a unique flair to party favors. With our ribbons, every detail of your event can be perfectly tailored to your style and theme.
