Custom Dye Sublimated Open Ended Lanyard with Badge Holders

Elevate your promotional or organizational efforts with our 20mm (3/4") heat-transferred lanyards. These lanyards come with a standard length of 920mm (36"), striking the perfect balance between comfort and visibility. Both sides feature a full-color print of your logo and background, ensuring that your brand makes a bold statement. The inclusion of a silver metal swivel hook on each end not only adds a touch of sophistication but also provides practicality in attaching and detaching the lanyard with ease.

Customized Full-Color Printing

Immerse your brand in vibrant hues with our full-color printing on both sides of the lanyard. This customization option allows for intricate details and vivid imagery, transforming the lanyard into a canvas for your brand identity. The stitches, carefully matched to the lanyard color, add a finishing touch, creating a seamless and polished appearance. This level of customization ensures that your lanyards not only serve a functional purpose but also become a distinctive representation of your brand.

Silver Metal Swivel Hook Design

Experience a blend of functionality and aesthetics with the inclusion of silver metal swivel hooks. These hooks, positioned at each end of the lanyard, not only secure it in place but also contribute to the overall visual appeal. The silver finish adds a touch of elegance, making your lanyards stand out. The design ensures easy attachment and detachment, providing convenience for users while maintaining a cohesive and professional look that aligns with your brand image.

Badge Holder Integration and Note

Complete your professional ensemble with the integrated zip lock clear PVC badge holder, measuring 3 7/8"x3 1/4" (98x82mm) with an insert size of 3 2/5"x2 1/8" (86x54mm). This transparent badge holder seamlessly complements the lanyard design while securely displaying identification. It's important to note that the set price does not include the insert card. For those desiring an additional layer of customization, an insert card can be included at an extra charge, providing further flexibility in tailoring your lanyards to meet specific branding needs.
