One Color Sublimation Lanyard

Affordable and Versatile Lanyards

Experience the perfect blend of quality and affordability with our One Color Sublimation Lanyards. Designed to meet budget-conscious needs, these lanyards are 5/8" wide and 36" long, offering a practical solution for events, conferences, or organizational purposes. Equipped with a durable black plastic hook and one-sided printing, they are a cost-effective choice for identification and branding.

Eye-Catching Customization

Stand out with vibrant one-color sublimation printing. This high-quality process ensures sharp and vivid designs, logos, or text, making your branding noticeable and professional. Whether used for a business event or community gathering, these lanyards combine functionality with a touch of personality, reflecting your unique identity.

Durable and Comfortable Design

Crafted from premium materials, these lanyards are built to last and withstand everyday use. Their lightweight and comfortable design ensures ease of wear, making them ideal for prolonged use by attendees or staff. The sturdy black plastic hook adds reliability, ensuring your items stay securely attached.
Choose our One Color Sublimation Lanyards for a durable, customizable, and cost-effective solution tailored to your branding and identification needs.
