Koozie® The Original Can Coolers

PRODUCT DIMENSIONS/SPECIFICATIONS:

Product Height: 4"

Product Thickness: 0.375"

Product Diameter: 3.25"

PRODUCT MATERIALS:

PVC Plastic, Nitrile Foam:

Embark on a journey of classic coolness with Koozie® The Original Can Cooler, a true icon in the world of refreshment accessories. Standing at a height of 4 inches and featuring a diameter of 3.25 inches, this can cooler embodies the perfect blend of vintage charm and modern convenience.

Crafted from high-quality PVC plastic and adorned with nitrile foam, it guarantees not only durability but also optimal insulation for your favorite beverages.

Ultra Fine Details:

Indulge in the nostalgia of timeless design as The Original Can Cooler boasts a thickness of 0.375 inches, providing a secure grip on your cans while maintaining a sleek and streamlined profile.

Whether you're at a backyard barbecue, a sporting event, or simply enjoying a relaxing afternoon, this can cooler stands as a testament to Koozie®'s commitment to delivering classic coolness in every sip.

Elegance:

The PVC plastic exterior exudes a retro elegance, while the nitrile foam interior ensures that your drinks stay refreshingly cool. Elevate your beverage experience and celebrate tradition with Koozie® – The Original Can Cooler, where each sip takes you on a journey through the timeless coolness that started it all.

Specifications for Optimal Enjoyment:

The meticulously crafted dimensions—4 inches in height, 0.375 inches in thickness, and 3.25 inches in diameter—reflect Koozie®'s dedication to providing a can cooler that not only stands the test of time but also becomes an integral part of your classic refreshment moments. Immerse yourself in the heritage of coolness with Koozie® – where every detail matters, and every sip is a celebration of timeless tradition. [SHOW_SPECIFICATIONS_TABLE]
